

- 1) For gender , we assumed that certain people don't like to reveal their gender when booking on a tickets. Therefore it is allowed to be not mandatory.
- 2) For the port population, we assumed that we can't estimate the population therefore, it is not mandatory.
- 3) We also assumed that for a specific port, with the same tour number which results in the same tour name.
- 4) In months, we used char(4) because in specification July is recorded as 4.
- 5) We also assumed that names can be not mandatory because some people do not put first names and some do not put last names.
